THE TRANSFORMATION

BEFORE AI FIRST ❌

- Manual reports take 2-3 days
- Data scattered everywhere
- Reactive, delayed decisions
- Website looks outdated
- Need to hire expensive analysts

AFTER AI FIRST ✅

- Reports in minutes, automatically
- AI-powered unified insights
- Proactive, data-driven decisions
- Website showcases innovation
- AI agents = your BI team

ROI BREAKDOWN

Time Saved:

- 20+ hours/week on reports
- **$30k-50k/year in productivity**

Costs Avoided:

- Junior BI analyst salaries: **$80k-120k/year**
- Website agency: **$20k-40k**

Revenue Impact:

- Better client positioning
- Faster decision-making
- Captured opportunities

Conservative Estimate: 3-5x ROI in Year 1
